NU ON TOUR®

MOBILE GLASS CLEANING

NO EVENT WITHOUT SPÜLBOY®

The mobile hygiene principle for proven cleaning results at festivals and events.

The mobile NU® washing stations – in combination with an intelligent Aqua Management – enable and ensure a 100% hygienic glass and cup cleaning to every place worldwide.

TAKE AWAY AND CLEAN IT UP.

The NU on Tour® concept is groundbreaking for the future of the event & gastro industry and guarantees:

- the maximum mobility for indoor and outdoor events
- the health of your guests, who are washing glasses and reusable cups even by themselves
- the ecologically responsible use of most valuable resources
